Sir:

In accordance with Applicants' duty of disclosure under 37 C.F.R. §§ 1.97 and 1.98, Applicants submit herewith a Form PTO-1449 "List of Art Cited By Applicant", as well as copies of the documents listed thereon. The Examiner is respectfully requested to review the documents listed on the attached Form PTO-1449 and make the documents officially of record in the present application.

It is noted that inclusion of a document with this Information Disclosure Statement and/or the attached Form PTO-1449 is not to be construed as an admission that any document so disclosed is "prior art" with respect to the present invention unless specifically so stated herein. Moreover, the filing of this Information Disclosure Statement is not to be construed to mean that a search has been made, or that no other material information, as defined in 37 C.F.R. § 1.56(a) exists.

Applicants further note that five (5) of the documents listed on the attached Form PTO-1449 (i.e., EP 0 154 189, EP 0 279 724, EP 0 897 954, U.S. Patent No. 4,278,576 and Abstract No. XP000698992) were cited in a European Search Report issued in connection with Applicants' counterpart European application (i.e., EP Appln. No fees are believed to be due in connection with the submission of this Information Disclosure Statement, since it is believed to be submitted prior to the mailing of a first Office Action on the merits for the present application. If, however, any such fees are due, including extension and petition fees, the Examiner is hereby authorized to charge them to Deposit Account No. 18-1850.

Please direct all further correspondence to the undersigned, as attorney of record.
